Footy Colours Day
We are holding our annual Footy Colours day tomorrow. All children should dress up in their footy (AFL, Sunraysia, Millewa, rugby or soccer) colours. We need lots of coins for the coin line. We will be holding the coin line after assembly. At 11:30am we will be holding footy activities followed by our Hot Dog lunch. There will be NO shop lunch orders tomorrow.

Swimming
Our swimming program commences on the first day of Term 4. There is no cost for our swimming program this year as we are funding it through the drought relief fund. All permission notes need to be returned by tomorrow. Please remember to send along bathers and towels on the first day of term!

NAPLAN
All NAPLAN results will be sent home with Grade 3 and 5 students today. The Grade 3 results were above the state average and Grade 5 students showed significant progress in all areas.

Ultranet
We now have five classes online. Parents will be involved in a trial early next term.

Mini Olympics
Due to the heavy rainfall on Tuesday, the Mini Olympics were postponed to today. Mr Smith and Mrs Vadlja have taken some very excited and keen athletes to the Aerodrome ovals to compete in a variety of events. We hope that they do well.

Safe Day
All children in Grades 3 and 4 participated in the ‘Safe Day’ at the Aerodrome ovals yesterday. The day was organised by the CFA and the children participated in a variety of activities about keeping safe.

Rope swings aren’t safe. If you let go too early and don’t land in the water, you could break your back.

There are lots of different kinds of smoke detectors. I learnt that deaf and blind people need different smoke alarms.

Fire Safety. If a building is on fire you must get down low to get out. Before opening a door you must put the back of your hand on the door to check if it is hot.

CLAY PROGRAM

Thanks to Jo McGlashan and Melissa Bennett’s grandma, Lee and her sister Julie for helping the grade 1 students complete their clay work.

All students have created a piece of clay work. These pieces need to dry over the holidays before they can be glazed and fired. The glazing and firing will take place at Red Cliffs Secondary College.
Thanks to Liz McIntyre for organising this. Fired and glazed pottery pieces will be handed out to students as soon as they are ready.

What did you learn at the Safe Day?

You need to tell them, where you live, what state you are in, the number of the house and what’s wrong.

Congratulations to Isabella Bennett, 5/6P, whose art work has been selected to be published in the 2010 Special Forever anthology. Isabella’s work will be published with artworks from students throughout the Murray Darling Basin. The anthology will be released in November.

Schools' Garden Awards

Last Friday, September 10th, the judges arrived for the Schools’ Garden Awards. We have put in a lot of effort around our school yard to improve and beautify our garden beds, vegie garden, fruit orchard, chook pen and the worm farms. Congratulations to all of the Environmental Leaders who presented and explained these areas to the judges—they did a terrific job!

A big thank you must go out to the following people for their extra help preparing for the above awards....

Michelle, (and Aleisha) and Shannon Dalla Santa, Linda Garraway (and Chase), John Lucey (Mrs Morgan’s dad) and also to Penni and Mrs Swinburn for their hard work.

Grade 3 Swan Hill Excursion

On Thursday the Grade 3’s headed off to Swan Hill. It took a while to get there.

When we got there we unpacked our stuff and got ready for the travel tour.

We were told about the Gem and a train and then we made damper and lamingtons. We went to the shearing shed. The wool was very greasy.

The camp was great fun because everyone got along and we did some great activities.

Georgia Smart, 3/4C

On Thursday night we had some free time in our cabins and then we went to the Sound and Light tour. We were very tired after that and went to bed in our cabins.

On Friday we made nails, rope, damper and lamingtons. After a big day in Swan Hill we returned to Mildura.

I liked the feeling of excitement when we got there. We were all very excited! The camp was just how I thought it would be!
