Car Parking on 15th Street

For those parents parking on the 'block' side of Fifteenth Street, please be aware that you will need to park in a straight line next to the path. The idea is then that cars can pass on the left hand side, closest to the vineyards, eliminating the need for overtaking near students on the path. Please be aware that 'NO ANGLE PARKING' can occur on that side of the road, as it disrupts the flow of traffic. When the safe opportunity presents itself to complete a u-turn back to the main road, please do so.

Environmental Leaders at the Show

The Environmental Leaders had a wonderful time at the Mildura Show yesterday. They participated in 'Water Week On Show' activities organised by Lower Murray Water. The students looked at the art, craft, photography and cooking entries. They found people from ISPS who had won prizes. All students enjoyed looking at the animals and having a go at rugby, cricket and football.

Mildura Show Art

All students have entered a piece of art, craft or photography at the Mildura Show. If you go to the show take a look at the students' work. Some students have won prizes this year. The work will be collected on Monday and all results will be published in next week's newsletter.

Water Week Posters

All students created a poster for LMW 'Water Week Poster' competition. The theme for this year's poster was 'Water the Heart of Our Culture'. Many of the entries have been uploaded to SeeSaw for parents and families to see. The entries were submitted last term. On Friday 27th October, Leesa Merrett from LMW will present any winners with their prizes. Parents of prize winners will be contacted by the school.

On Wednesday our Girls basketball team went to the Mildura Hot House to play basketball in the division finals. The first game was against Our Lady's Merbein and the scores were 34 to 8 our way. Next we played Sacred Heart and got beaten 42 to 10. We played Mildura Primary School for a spot in the grand final but unfortunately we lost 11 to 17.

The last game we played Our Lady's for 3rd and 4th place. We got over the line with a win 28 to 12 our way. We all played a good game but our best players were Ava, Indi and Olivia. We would like to thank Mr Allen for being the best coach and getting us this far.

ENVIRONMENTAL LEADERS @ THE SHOW

Grade 4 Hoop Time Junior All Stars Basketball

On Tuesday a Grade 3/4 Boys and a Grade 3/4 Girls team represented the school at the Hoop Time Junior All Stars Regional Final at the Mildura Hot House. Both teams did exceptionally well and played with great sportsmanship.

The Boys' team consisting of Cooper Topp, Ned Bottoms, Luca Burford, Jye Porker, Samuel Tassone, Colby Geister and Charlie Puleio had an outstanding day going through undefeated. The boys won all their round matches and set up a Grand Final clash against Nichols Point. The boys led from the start and put in a very strong performance winning the game with great teamwork. All the boys played exceptionally well all day, unselfishly sharing the scoring opportunities and working hard in defense.

The Girl's team consisting of Jayah Waylen, Rhiannon Jack, Grace Zaccone, Elana Howard, Meg Knight, Lottie Adams, Addison Bell and Sofia Tabacco lost their first game against a strong Nichols Point team, but then went on to win their next two games against Trinity Lutheran and St Pauls. This set up a hard Grand Final clash against Nichols Point. Although the girls tried really hard and we had some good passages of play the Nichols point team was too strong winning the Grand Final. All the girls improved throughout the day becoming stronger in their scoring, rebounding, defending and sharing the ball around.

We aim to provide a sequential program that provides students with the opportunities to develop independence and resilience.
