NEWS FROM THE ASSISTANT PRINCIPAL
Ben Milsom

Pyjama Day
On the last day of term we will be holding a Pyjama Day. We are encouraging all students to come in ‘warm’ pyjamas for the day. The day will start with normal learning in the morning and then after snack, students will be involved in a class slumber party. During that time students will be participating in some fun activities in class. Students are welcome to bring a blanket, pillow etc. and join in the fun. The Junior School Council will be selling popcorn for $3 a bag on the day. You don’t need to pre-order. What a great way to finish the term as a class community!

Last Friday our baby teacher photo challenge came to an end. It was a great success. We raised $67! Lots of students participated and gave it a go. We really appreciate your support.

There was a Prep/1/2 competition and the winner was Nathaniel Kuchel. The winner of the 3-6 competition was Indi Cashin. Both students have won a free lunch order of their choice. Please see Mr. Milsom for this.

Disco
What a sensational night we had at our School Disco. A big congratulations must go to Mia Andronescu, Bethany Hartwig, Maddy Smart and Georgia Symes who organised the night. The girls have been actively working on a student leadership project for the past 6 weeks, with the disco being the end product. Over the course of the night we had over 220 people attend and enjoy themselves. There were lollies, drinks, glow bands and popcorn on offer and the students had a ball spending their money!!! A massive thanks must go to all the parent helpers and some of our ex-students, who provided support at our food stall. The night raised a whopping $1250 for the school, which will contribute towards our new fitness equipment. Well done to everyone involved and we are looking forward to our next student-led project – “An International Day.”

T-Towel Fundraiser
The T-Towel fundraiser will now be finishing on the 17th June. For each t-towel sold, Kylie Livingston (parent and Enjo Consultant), will donate $2.50 to the development of the front garden area. Most of the plants, materials and labour have so far been donated but money will be needed to pay for some parts of the garden, such as the Fairy and Dinosaur garden. There is an order form at the back of the newsletter. T-Towels will be delivered next term. We thank you for your support.

Winter Sports
Today the students in Grades 5 and 6 participated in day 2 of Winter Sports at Nichols Point. Results will be published in next week’s newsletter.

Our A Netball team will compete in Mildura against other Sunraysia schools next Wednesday. We wish them all the best.

Prep 2017 Enrolments
If you have a child who will be starting Prep in 2017 we are now accepting enrolments. Please contact the office to arrange a tour of the...
school. Enrolment packs are available at the office.

**Camps Sports & Excursions Fund (CSEF) 2016**
The Victorian Government will be providing a CSEF payment to all eligible families to assist with the costs of school trips, camps and sporting activities. Please contact the office to get an application form. The School will need to sight and copy the concession card to ensure that the parent’s name and Centrelink Reference Number (CRN) matches the Centrelink database. Applications close at the end of this term.

**Staffing**
Ms Robyn Brooks will return on Tuesday. She has had a wonderful time in Broome.
Mrs Renay Drendel-Arthur will return to work next term. She is still recovering at home. Mrs Tammy Warn will continue to teach 3D.

**Mosaic Pavers**
A group of Grade 5 girls are being creative at lunchtime and making some mosaic pavers for the new garden area at the front of the school. They have designed their paver and have had a smashing time breaking the tiles and gluing them down.

**Grade 2 Inquiry**
The Grade 2 students are investigating Inventions for their Inquiry. Last week, Diesel’s dad brought along his truck for them to take a look at. The students loved looking at the truck and they even got to go inside and have a look!

**Environmental Excursion**
On Friday the 3rd June, the Grade 4-6 Environmental Leaders went and saw the Eco House near Aroundagain. We learnt about endangered animal species and what we could do to help them. We also learnt what we could do to help the environment by putting the correct things in the bin. Some people put the wrong things down the toilet, so we found out what was meant to be flushed! We had a great day.

Jayshree and Skye

**Prep Inquiry**
The Prep students have been talking about what keeps them healthy. On Monday some Year 9 students from Irymple Secondary College set up and ran a fitness circuit for the Preps to participate in. They all had a wonderful time.
AROUND THE WORLD

This Term in Inquiry the Grade 5/6s are completing an Economics unit utilising many real life skills. The students are working in groups to plan an overseas holiday with a budget of $10,000. Not only must they plan all flights, accommodation and sightseeing but they must also make wise consumer decisions to ensure that their holiday is within budget and able to be marketed effectively.

I’ve loved learning life skills such as how to book flights, compare time zones and find international accommodation. Not only have we learnt about planning a holiday with a budget but we have also learnt about countries and their cultures! - Lachlan Adolph

I have enjoyed how our maths and reading lessons are also incorporated within our Inquiry unit. All three teachers, Miss Hepworth, Mr Smith and Ms Gladman have been running workshops during Inquiry where we get given the choice of which workshops we believe we need to attend. Our workshops have covered topics/skills such as time zones, converting currencies, itineraries, public transport and booking flights/accommodation.
- Mia Andronescu

I have enjoyed planning my holiday because I have had to provide a detailed itinerary. By holding workshops the teachers have helped us to better understand a skill that we think we needed help with.
- Georgia Symes

I love the way that I have learnt life skills during out Inquiry unit. I didn’t know that some countries aren’t safe to travel due to diseases and terrorism.
- Lashaye Farley

Our ‘Around the World’ Inquiry project has been so fun this Term. Our reading and maths has also been incorporated into it and I love how we have been able to sign up and attend workshops for a skill that we need help with.
- Mercesdez Jones

We got the opportunity to attend a workshop from Whitney, Miss Jones’ sister, who is a travel agent! She helped us a lot when planning our trip. I have been able to learn all about time zones, reading maps, currencies and different countries of the world.
- Vincent Piscioneri

I’ve loved learning real life skills such as how to be a travel agent. We had Miss Jones’ sister come and talk to us about safe airlines to fly with, itineraries and how to find interesting attractions within countries.
- Ethan Norris

### HAPPY BIRTHDAY

**JUNE**
- Charli Barton (8th)
- Luca Burford (8th)
- Declan Fisher (8th)
- Ella Shore (11th)

**Isabella Jung (11th)**
- Skye Kempton (11th)
- Akira Szeto (12th)
- Maddison Smart (12th)

### WALK TO REDUCE YOUR FOOTPRINT

The 19th of June, S.H.E.C. (Sacred Heart Environmental Committee) is once again hosting a Day that’s called Walk To Reduce Your Footprint. S.H.E.C. is hosting this day to teach people about the importance of reducing our use of energy and to think about living more sustainably. The message is we cannot keep living the way we are. Each and everyone of us can make a difference and can help to heal our planet.

S.H.E.C hosted this event last year for the first time, and as it was such a success we decided to make this an annual community event. We have invited many other schools to come along and help us to “Give the environment a hand”.

Our team hopes you can all make it and join us on our walk. Please put June 19th into your calendar. Bring along family, friends and those furry ones too.

**Outline of the day**

**Date:** Sunday, 19th of June 2016
**Where and When:** 10:00am; Meet at Nowingi place to walk to Mildura Arts Centre
**Arts Centre:** Gather to share ideas and information

Hope to see you there!

The S.H.E.C team
Sacred Heart School, Mildura

---

### Junior School Council presents...

**5c CHALLENGE**

- Do you have any 5c pieces at home?
- We are having a challenge to see which class can raise the most money in 5c pieces!
- Each classroom will have a collection jar.
- An ice-cream party for the winning class!!!

**TIPS TO HELP:** Look in the following places:

* The car  * Your room  * Your bag
* The lounge  * The washing machine

- 24 End of Term 2 Pyjama Day
- Start of Term 2
- 2 Athletic Sports
- 'The Beat'
- Somers Camp
- 6 Somers Camp
- 7 Grade 4 Camp Lake Cullulleraine
- 16 End of Term 3
I’m very pleased to be able to support the school by holding a T-Towel Fundraiser! T-towels are an item we all need in the kitchen.

ENJO’s Bamboo T-Towels are softer, greener and more absorbent than its cotton counterparts, the combination of bamboo and cotton fibre dries dishes, cutlery, glasses, cookware and more. They are HUGE in size! They come in 4 colours of chevron design. There is a set on display at the office for you to see. These high quality T-Towels are priced at $15 each. I will donate $2.50 from the sale of each T-Towel back to the school for the new garden.

Please feel free to call me on 0418 552 712 if you have any questions. If you need to top up ENJO supplies this month, please give me a call too – the focus is on T-towels, however I will ensure orders of other items count towards the fundraiser too.

Kind regards
Kylie Livingston

T-TOWEL FUNDRAISER

All orders to be in to the school office by Friday 17th June.

Payment to be made in cash
