Footy Colours Day
TOMORROW
Tomorrow we will be having a Footy Colours Day. The Grade 6 students will be running a ‘footy clinic’ for each grade. The students will organise and run a variety of activities around football.

At 12:00pm there will be a Grade 5/6 Boys vs Grade 5/6 Girls and Teachers match. This will be a very exciting game with all parties wanting to do well. Hot Dog lunches will be supplied to those that have ordered them.

We would love to see everyone dressed up in their favourite football team’s colours. Junior School Council Representatives are asking all those who dress up for a gold coin donation. All money raised will go towards new playground equipment.

End of Term
Tomorrow is the last day of Term 2. School will finish at 2:15pm on this day. School resumes at 9:00am on Monday 7th October.

Swimming
As part of our Physical Education program, students will be participating in a swimming program in the first week of Term 4. The cost of this program is included in our School Fee schedule. This program will involve all students in a 45 minute lesson each day of the week (Monday-Friday) with a fully trained Aus Swim instructor at the Mildura Waves. Each student needs to have a completed permission note in order to participate in the
(Continued from page 1)

program. Permission notes were sent home last week and need to be returned by TOMORROW Friday 20th September.

Remember to come along on the first day of school with swim wear, towels, thongs and t-shirts.

Uniform
Lowes at Centro are now the sellers of our school uniform. From the start of Term 4 they will be supplying all uniform items. T-Shirts will still be sold from the Office.

We have EFTPOS at the office or you can pay through BPay. There are still a number of families who have outstanding school fees. Please pay any outstanding amounts as soon as possible.

Learning Conferences
Thank you to everyone who came along on Monday 7th October at 9:00am and shared their child’s learning at the recent Learning Conferences. We were very pleased that some families and staff made appointment times at other times so that every student could share their learning. Please contact your child’s teacher if you wish to take a look at their learning journals. We value the link that exists between home and school and the positive impact that this can have on every child’s learning.

Dress Up Day
On Wednesday 24th October we will be having a Dress Up Day and BBQ Lunch as part of Children’s Week. All students will be involved in a variety of cross age activities during the day. Stay tuned for more information!

School Fees
There are still a number of families who have outstanding school fees. Please pay any outstanding amounts as soon as possible. We have EFTPOS at the office or you can pay through BPay.

Junior Cricket Club

Junior Registration Day is Thursday 19/9 at 4.30 at Henshillwood Oval for all junior grades. For further details refer to icc.vic.cricket.com.au. U10 and U12 training to commence 4.30 on 18/9 and enquiries for U12 can be made to Shannon Dalla Santa on 042730539.
Yesterday Irymple South Primary School and Nichols Point Primary School competed in the annual Girls Football match. It was a glorious day and the crowd was given a wonderful display of football. Nichols Point won the match 6-5 to 2-1-13. Best on ground medal were awarded to Tera Lambert (ISPS) and Sammy (NPPS). Thanks to Tom Vadla for umpiring, Josh, Bobby, Tyson and Lachie for boundary and goal umpiring and all the parents and students who cheered the teams on.

The last couple of weeks in ICT, year 4 to 6 students have been finishing up their ‘Game Maker’ and ‘Scratch’ games ready to hand in this week. The Prep and 1 students have been exploring a new app in the iPads called ‘Explain Everything’. The students have been using this app to record their thinking when working out Mathematical problems and learning their vocabulary words. Using this app the students have been able to free hand draw, add images, videos and audio recordings as well as screen captures. They have put all of this media together to create videos that help to demonstrate their understandings. We have had a lot of fun doing this.

We had some excellent fresh produce to sell at our Market this week. A big thank you to parents, staff and students who donated and/or bought produce this time, we are very grateful for your support. There are still oranges, lemons, almonds, pecans, silver beet and fresh herbs for sale just outside the office.

The Preps have been dressing up and role playing in their classes this week. They have had a lot of fun pretending to be someone else! The Grade 2 and 3 classes have been using the instruments to make their own bands. We definitely have some stars in the making! To identify high and low sounds the students in Grades 1, 2 & 3 have been using the xylophones.
Dear Nanna and Grandad,

How are you?

Our class have been learning how to write a letter. We were allowed to choose a special person to write to and I chose you! I hope you enjoy my letter.

My new school is called Irymple South Primary School. I have made lots of new friends. Their names are Maya, Lily, Molly, Taylor, Reba and Alekia. My teacher's name is Miss Thompson. She is very nice. I don't know everyone yet but my best friend is Taylor. My principal is Ms Brooks. I have learnt a lot at my new school. My friends are nice. We learn lots of things at school and I never get told off! At lunch I play with Taylor on the playground. My school has two ovals and three playgrounds. We also have chickens and a chook pen. I like to read stories with my class. In the morning after I put everything away I get free time outside on the playground. I really like school because I get smarter and smarter each day. I miss you!

Love from,
Mackenzie

---

Dear Nanny and Poppy,

What have you been doing?

My school's name is Irymple South Primary School and my teacher's name is Miss Thompson. At our school we have 11 classrooms and I am in room 3. We have two big ovals and three playgrounds. We also have a veggie garden, worm farm, cricket pitch. My principal is Ms Brooks. I have learnt a lot at my new school. My friends are nice. We learn lots of things at school and I never get told off! At lunch I play with Taylor on the playground. My school has two ovals and three playgrounds. We also have chickens and a chook pen. I like to read stories with my class. In the morning after I put everything away I get free time outside on the playground. I really like school because I get smarter and smarter each day. Dear Poppy,

What have you been doing?

My school's name is Irymple South Primary School and my teacher's name is Miss Thompson. At our school we have 11 classrooms and I am in room 3. We have two big ovals and three playgrounds. We also have a veggie garden, worm farm, fruit orchard and a worm farm. At lunch I play on the playground with my friends Molly, Mackenzie, Taylor, Akira, Reba, Maya, Lily, Amelia and Aleshia. My favourite part of the playground is the monkey bars. The reason why is because I can swing on them. I really like reading at school it is my favourite subject. I like reading because some books are interesting. My favourite types of texts are non-fiction. I like reading these books because you get to learn about new things. I really like school but it does get exhausting. I like getting smarter. School is fun!

I hope you enjoyed my letter.

I miss you.

Love from,
Jameson

School is fun!

I hope you enjoyed my letter.

I miss you.

Love from,
Eva

---

Dear Aunty Bree,

How are you going with your baby?

I really like computers because you can search for things in Google that you don't know. I even got to print a body sheet and I had to fill in the gaps. I really like school because it's really fun but it can be tiring.

I love you very much Poppy!

Love from,
Jameson

---

Dear Nanna and Grandad.

How are you?

Our class have been learning how to write a formal letter. Over the past 2 weeks, students explored the structure of a letter, the use of paragraphs and the correct way to use full stops, capital letters, question marks and exclamation marks.

Students were asked to write a formal letter to a special friend of their choice. In their letter they had to tell their special friend all about our school and use as much detail as they could. The letter was then published in the form of a postcard and sent to their special friend through the post.
