Finishing the term in Performing Arts we will be extending our acting skills, focusing on interacting with others while performing.

The preps, 1’s and 2’s will be acting out the stories of ‘Black Dog’ and ‘John Brown, Rose and the Midnight Cat’ while I read them, whereas the 3’s will be acting off the pre-written script of ‘Town Mouse and Country Mouse’ on their own. The 4/5/6’s will be writing their own short script based around a different perspective of a chosen fairytale. They will choose appropriate costumes and props before acting their play out in front of the class.

We will also be playing some team building and individual confidence building games like; Hula hoop around the circle, Master Master, Alphabet conversation and But & Luckily.

Four Irymple South Students along with 3 other students and 3 leaders from the 2nd Mildura Girl Guide unit are participating in the Walk In Her Shoes Challenge. If you would like to sponsor the girls please go to the www.walkinhershoes.org.au website.

Click on sponsor and under Team Name type in 2nd Mildura Junior Guides.

Money raised by the Walk In Her Shoes Challenge supports projects that provide community gardens and clean water close to homes, which help women and girls spend more time in school and earning an income. Thank you for your support.

Boys’ Cricket
Our Boys Cricket team were successful at the recent day of competition. The boys will play a 20-20 match with Red Cliffs next week. There are more results further in the newsletter. Congratulations boys!

Woolworths Dreamworks Cards
The new craze at the moment are the cards that can be collected from Woolworths. Unfortunately we have had some cards stolen from school bags and cards been bought and sold which has caused some children to get quite upset. We are not banning the cards but would like to bring to your attention the fact that students need to be responsible for their belongings and if they are precious and valuable that maybe they do not bring them to school. We do not tolerate stealing and will act upon any matter that is brought to our attention.

Working Mathematically in 1M

This week we have been working with dominoes.

First we had to sort the dominoes in any way we could think of. We thought of lots of different mathematical ways to sort the dominoes.

Zac:
I made mine into a line that counts up from 0 to 12.

Rhiannon:
Miss Magee told us there are 28 dominoes in a set so to check I definitely had 28 dominoes I ordered them into two tens and an eight.

Miss Magee then challenged us to put our dominoes into ‘families’ or groups, thinking of a rule to explain why they belonged together.

Hunter:
I have put together all the dominoes that add up to the same number, for example this group all make 6. I have 6 + 0, 3 + 3 and 5 + 1.

Rose:
I sorted mine into three groups. The first group all have a zero or a one on the domino, the second group all have a two or a three and the third group have a four, five or six on the domino.

Next, Miss Magee asked us to find any dominoes that involve the number 5. We used all the dominoes that had a 5 on it but we could also use dominoes to make 5 in different ways like 3 + 2, 5 + 0 or 6 -1.

We had a great time thinking mathematically while working with dominoes.

**Sunraysia Cricket Final**

On Tuesday our boys cricket team competed at the Aero Ovals in the Sunraysia Cricket Final. We played 3 games against Mildura South, The Lake and Sacred Heart. Our boys won all 3 games becoming Sunraysia Champions for a record 5th time.

The boys now have the opportunity to play against Red Cliffs who were the Sunraysia South winner. This match will be played next Wednesday.

**Game 1** – ISPS 6/46 def Mildura South 4/42
Best Performances – Oskar Faulkhead (2 wickets), Tyson Giles (13 runs), Billy Phelan (12 runs)

**Game 2** – ISPS 3/49 def The Lake 5/26
Best Performances – Anthony Cua (2 wickets), Billy Phelan (21 runs retired), Lachlan Scott (9 runs)

**Game 3** – ISPS 4/54 def Sacred Heart 6/30
Best Performances – Billy Phelan (21 runs retired), Tyson Giles (15 runs), Anthony Cua (2 wickets)
Swimming

Last Thursday evening 16 students represented Irymple South in the Primary Schools of Irymple Swim Meet. All students did a fantastic job competing to the best of their ability, with some students competing for their very first time.

A special thank you to Pip Neagle who did a fantastic job of making sure all our students were at their events on time.

Five of our students received ribbons for a top three placing in their events. Well done to James Bell, Mackenzie Phelan, Eliza Banks-Purcell, Meg Neagle and Lily Neagle. Students’ results from the night:

Primary School Meet - Irymple

Last Thursday 16 students represented Irymple South Primary School at the Primary School Swim Meet in Irymple. It was a warm evening and everyone was excited about getting in the pool and doing their best.

We had competitors in nearly all the age groups and we did really well.

Mrs Branson and Mrs Neagle were our school marshalls and made sure we didn’t miss any races. Nicole Kelly (Viktoria’s Mum) was a timekeeper. Many of the other parents cheered us on.

We had lots of fun and can’t wait for next year. We have some really great swimmers at Irymple South Primary School and we hope even more students will compete next year.
