

Thankyou for your continued support throughout this extraordinary term. There have been many challenges but we have faced these and have been resilient and worked through them.

Have a restful and relaxing holiday. Keep safe and well and I look forward to seeing everyone back on Monday 13th July for the beginning of a more 'normal' Term 3.

Good Luck

Mr Ben Milsom has accepted an acting Assistant Principal role at Mildura Senior College commencing next term. Ben has done a fantastic job here and we will miss him. His dedication and enthusiasm for the school students and the community is outstanding. The position at MSC is currently only for Term 3. Mr Jamie Russell, will take on Ben's role as the Assistant Principal for Term 3. We are currently looking for a replacement teacher for Jamie's Grade 4 class and will inform you as soon as we can.

CHESS CHAMPIONS

On Wednesday Logan (6S), Shane (5R) and Evan (1C) Krul competed in the Mildura Interschool Chess competition. The competition was held online this year. Congratulations to Shane, who placed second. An outstanding achievement. Logan and Evan enjoyed their afternoon of competition.

After School Care

Thanks to those parents who have already emailed me about requiring ASC. We understand the need that some families have for 'After School Care'. Currently students from ISPS who require care go to the program at Irymple Primary School. We would like to know who would use an 'After School Care' program onsite at our school. Please email me if you are interested. Robyn.Brooks@education.vic.gov.au

Three Way Learning Conferences

We will be holding 'Three Way Learning Conferences' on **Monday 10th August**. Students will not attend school on this day. They will come for their conference time.

Appointments can be made through Xuno. Online bookings are open. To book, find the 'Parent Teacher Interview' on your app or website, and book your appointment times. Please remember that students are to be in attendance at their conference.

Parent role during the conferences:

*During learning conferences, parents have a major role to play. Students will be sharing how they are learning, along with what they are learning.

*We are encouraging all parents to be actively involved and seek to understand the how and what, as Irymple South strives to have students take more ownership of their learning through our Visible Learning Cycle.

*We will allow time for parent voice, as teachers will provide time for communication about any concerns.

*We hope you enjoy the formal 15 minutes with your child and their teacher.

Happy Birthday
