

At Irymple South we provide a school wide approach to support and enable students to deal with difficult situations with the 'Five Finger Plan'. All students have been involved in a variety of activities, discussions and scenarios to embed this plan that aims to give them strategies to independently solve issues that may arise in the classroom and the playground. Building strategies to solve problems independently helps to build resilience. All classrooms have been working on this strategy in their programs. On Monday, members of our 'Student Voice Wellbeing' team will be reinforcing and sharing this strategy with all students at our WebEx whole school assembly.

## Family Survey to express interest in an OSHC program at Irymple South Primary

Stepping Stones Children's Services has been approached to consider the possibility of providing an **After school care service** at Irymple South Primary in 2021

In order to help us ascertain the need for care, we are asking families to fill in this form and return it back to the school office by July 30<sup>th</sup> 2020.

On which days are you likely to need After School Care and/or before school care

MON	TUES	WED	THURS	FRID

**How many children would require care?** \_\_\_\_\_

**When is your need for care likely to start?** \_\_\_\_\_

Bookings do not need to be permanent, although it helps with planning and staffing and will guarantee your place. Casual bookings will be available as space permits. **It is vital that when filling out this survey it is done honestly so we can make an informed decision.**

**Current fees charged for a Permanent session are \$30.25 without fee relief applied (CCS).**

**A casual booking is \$36.20 without fee relief.**

If a decision is made to go ahead with providing the service, would you like an information pack sent to you? If so, please provide your details

Many thanks for taking the time to fill this survey in.

Sincerely

Linda Millucci
