

DECADE DANCE DRESS UP DAY

Thanks to Charlotte, Sydney, Addison and Ella for organising today's activities. It was third time lucky for this day to happen due to the recent restrictions. All students looked wonderful in their dress ups from the different eras. The girls taught each 'era' a dance and the students had a great time moving to the music.

Grade 6 Awards

At the end of the year we will be once again celebrating another successful year of Grade 6 Irymple South students. During our Graduation we have a number of awards that are won by students. Over many years we have had many kind contributions and are again looking for donations. Any parents that would like to contribute towards an award please see Mr Smith by Friday 4th December.

Prep Transition

We are still going to hold transition days for Prep students. They will be slightly different than we have done in previous years. Information about the days have been sent to the parents of children starting Prep in 2021. These children will come to school for a two hour session once a week for three weeks in groups of 10.

Student Free Day

Thursday 10th December is a pupil free day. This day will be used to discuss the students' reports. These meetings will be held remotely.

We will also have a pupil free day on **Friday 18th December**. This means that the last school day for students will be **Thursday 17th December**.

Reporting Information

Our reports will be sent home earlier this year, in time for parents to view prior to our Parent-Teacher Interviews.

Friday December 4th – All reports will be uploaded to Xuno.

Thursday December 10th – This will be a Curriculum Day. Parent-Teacher Interviews will be held throughout the day remotely to discuss your child's report. Bookings can be made via Xuno. Go to the 'School' tab and click on 'Parent Teacher Interviews'.

Student start day for 2021

The first day of school for students in 2021 will be Thursday January 28th. Preps will have Wednesdays as a rest day for all of February. All staff begin work on Wednesday January 27th.

Uniform and Sports Shirts

An updated price list for our school uniform can be found later in the newsletter. We are unable to hold our 'uniform swap' at the moment. We hope to be able to offer this again when restrictions are further lifted. Sports shirts orders need to be received by Friday 4th December. The sports shirts will be delivered in Term 1, 2021.

Kind regards,

Robyn

LoE project by Amelia, Charley and Delores

WHERE ARE THEY NOW?

Jorja and Will were students at Irymple South Primary School from 2008 to 2014. This year they completed Year 12. Will was our School Captain and Jorja was Campbell House Captain in 2014. We are very proud of all of our students, past and present, and it is lovely to hear what our past students are doing.

Jorja Arthur

What was your best memory of Primary School?

My favourite memory from Irymple South was my last Athletics Day. This was a day I got to spend as a House Captain with two of my closest friends also as House Captains for the other teams. We had the best day together doing all of the activities such as leading the march around the oval to doing the final relays, the whole day was just really fun even if none of our three teams won.

Prep

Grade 6

Year 12

What values/learnings did you take from Primary School that are instilled in you today?

In Primary school we were always told to just do your best which has followed me into my senior years of schooling as you have to reach an understanding within yourself that you truly only can do your best even if it may not get you the best result all of the time, rather it is just about giving everything a go and working with what you have.

What have been your best experiences that you have had at St Joseph's College?

My best experiences at St Joseph's College stem from the people I have met and the opportunities I have been presented with. I have had the opportunity to meet a whole new group of people and establish new friendships and build new memories. One of the best things about secondary school for me has been going through Years 7 to 12 with a majority of the same people it has been great to have people you have known for six years or more supporting you in your final year of schooling. Another great aspect has been the teachers, I have truly been supported throughout all of my years at St Joseph's College and these teachers really do go above and beyond for you which I am eternally grateful for. Another great experience offered is all of the school trips and camps as well as all of the leadership positions which allow people to get more involved in the community, I have especially liked the NOVUS Melbourne camp and the University Expo trips.

What are your plans for the future?

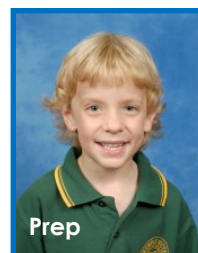

In the future I am hoping to go into teaching. School has been a place for me where I always felt comfortable and learning is something that I am passionate about whole heartedly. I really want to be someone in my future who can make a big impact in someone's life like all of my teachers did for me.

William Forrest

2020 St Joseph's College Vice-Captain

What was your best memory of Primary School?

I have many good memories from my time at Irymple South. Some of these memories include spending time with my friends, the teachers and learning new things. One of the most memorable memories would have to be becoming school captain in Grade 6. By becoming school captain, it allowed me to believe in not only myself but also my capabilities.

Prep

Grade 6

Year 12

What values/learnings did you take from Primary School that are instilled in you today?

Irymple South taught me many things that I still hold onto today. These values include respect, honesty and has helped me to develop a strong work ethic, which has been essential throughout Year 12. Without these core values, I would not be where I am today.

What have been your best experiences that you have had at St Joseph's College?

I have had many great memories at St Joseph's such as making new friends and trying new subjects. One of my best accomplishments during my time at the college would have to be becoming College Vice-Captain this year. By becoming a leader of the school, it has allowed me to gain confidence in not only myself, but also in public speaking, organisational and communication skills.

What are your plans for the future?

Next year I plan on going down to Melbourne and studying either civil engineering or a double degree in engineering and business.

ART

Special Forever

The Grade 2 students have created artwork for the 'Special Forever' project. They took selfies of their special place at school and some students drew continuous line drawings of this place. Due to the lifting of restrictions the Mildura Arts Centre is now open and the exhibition is open! Please take the time to go and have a look. The exhibition runs until Sunday 24th November.

Virtual Art Exhibition

This year the students will exhibit their work via an online platform. We were unable to display our work at the Mildura Show or at our annual Art Exhibition at school. The students have selected art from both onsite and remote learning. The exhibition will be available from Monday 30th November.

END OF YEAR SPECIAL ACTIVITY DAYS

We will not be holding our camp program this year. All classes will be involved in a special activity day in the last week of term. Classroom teachers will provide more details shortly.
