Photographing, Filming, and Recording Student Consent Form

Permission to cover the duration of the student's schooling at:

IRYMPLE SOUTH PRIMARY SCHOOL

There are many occasions during the school year when staff photograph, film, or record students participating in school activities or events. We do this for many reasons, including to celebrate student participation and achievement with our community, showcase learning, document a student's learning journey/camps/excursions/sports events etc, communicate with our parents and school community in newsletters and on classroom apps.

Our **Photographing, Filming, and Recording Students Policy** at Irymple South Primary School describes how we will collect and use photographs, video, and recordings (images) of students. The policy also explains when parent/carer consent is required and how it can be provided and withdrawn.

Please note: the use of some images do not require consent. These include curriculum-based activities (i.e. class work), identity management, managing behavioural and safety incidents, to support a student's health and wellbeing, and to provide individual feedback or communication to a student, their parents/ carers and/or school staff. If you have any concerns about the use of photographs in our school, for example, due to safety or cultural reasons, please contact our Principal, **Jamie Russell, on (03) 5024 5345 or jamie.russell@education.vic.gov.au**

This **Consent Form** describes:

- situations where consent is required and seeks that consent
- how personal information will be handled regarding privacy law
- ownership and reproduction of images

If you would like to withdraw or change your consent at any time, you must notify us by emailing irymplesouth.ps@education.vic.gov.au or by calling (03) 5024 5345. If consent is withdrawn verbally, we will make a written record of this. Please note, it may not be possible for the school to amend past publications or to withdraw images that are already in the public domain.

We will provide an annual reminder to parents about our **Photographing, Filming, and Recording Students Policy** via the school newsletter. We will also notify parents when implementing software that may include photos of students, allowing parents to discuss any concerns or preferences.

This consent form applies to images of students that are collected and used by our school. We ask that any parents/carers or other members of our school community photographing, filming, or recording students at school events (e.g. concerts, sports events etc) do so in a respectful and safe manner and that images of students are not publicly posted (e.g. to a social media account) without the permission of the relevant parent/carer.

CONSENT FORM TO CONDUCT PHYSICAL HEAD LICE INSPECTIONS

Permission to cover the duration of the student's schooling at:

IRYMPLE SOUTH PRIMARY SCHOOL

Throughout your child's schooling, the school will be arranging head lice inspections in the event of an outbreak or infestation. The management of head lice works best when all children are involved in our screening program.

The school is aware that this can be a sensitive issue and is committed to maintaining student confidentiality and avoiding stigmatisation. The inspections of students will be conducted by a trained person approved by the principal.

Before any inspections are conducted, the person conducting the inspections will explain to all students:

- what is being done and why
- the presence of head lice in their hair does not mean that their hair is less clean or well-kept than anyone else's
- head lice can be itchy and annoying and if you know you have got them, you can do something about it.

The person conducting the inspection will check your child's hair to see if any lice or eggs are present.

In cases where head lice are found, the person inspecting the student will inform the student's teacher and the principal. The school will make appropriate contact with the parents/carers.

Please note that health regulations require that where a child has head lice, that child should not return to school until appropriate treatment has commenced. The school may request the completion of an 'action taken form', which requires parents/guardians/carers to nominate if and when the treatment has started.
