

BUILDING UPDATE

Building works to repair flood damage from earlier in Term 2 continue to progress well across the school, with works now well underway in all rooms. We have recently seen plaster installed in both Rooms 2, 3, 5 & 7, which is exciting progress as these spaces continue to take shape.

Works on the internal roof of the Multipurpose Room will begin on Friday and continue across the weekend.

During this time, TheirCare will continue to operate as normal; however, it will temporarily run from the Art room and seating area outside of the kitchen. Parent pick-up will occur from the kitchen side of the building. Thank you to our students, staff and families for your ongoing patience and support while these works continue.

ATTITUDES TO SCHOOL SURVEY

Next week, students in Grades 4–6 will complete the annual Attitudes to School Survey. This survey is conducted across Victorian Government schools and provides students with the opportunity to share their thoughts and experiences about school life, including areas such as wellbeing, learning, student voice, teacher-student relationships and school connectedness.

The survey will be completed online during school hours and usually takes around 20–30 minutes to complete. The feedback gathered helps schools understand student experiences and supports future planning and improvement across our school.

CONDOLENCES

We would like to acknowledge the recent passing of Lauren Hepworth's Dad. Lauren is a valued member of our school community, and during this incredibly difficult time, our thoughts are with Lauren and her family.

On behalf of the entire school community, we extend our sincere condolences and support to Lauren and her loved ones.

SCHOOL JUMPERS

With the cooler weather now well & truly upon us, please make sure you are sending your child to school with a named school jumper/jacket.

STUDENT FREE DAY

Reminder that next Friday 5th June is a student free day and Monday 8th June is the King's Birthday Public Holiday. Students are not required to attend on both of these days. Theircare will not be operating on Friday 5th June. Enjoy a long weekend!

PREP DRESS-UP DAY

Wednesday 3rd June 2026

The Letter B

Dear Prep Families,

On **Wednesday the 3rd of June** (Week 7), the prep classes will be learning about the Letter B.

To make this exciting, we would like the preps to **dress up** as something that begins with the letter B, see pictures for ideas.

You don't need to go out and buy brand new funky costumes, it could just be a head accessory.

Please contact your child's teacher if you have any questions.

Regards,

Kate, Makayla, Phyllis and Donna

Welcome to Term 2!

We were disappointed not to be able to run our School Holiday Program during the last holidays due to the works being completed around the school. However, we are very excited to announce that our upcoming School Holiday Program is now open for bookings, and we cannot wait to welcome the children back for another fun-filled program of activities, games, and experiences.

Over the course of this term, the children have been busy exploring a wide variety of engaging experiences, games, and creative activities throughout the program. We have loved seeing the children build friendships, develop confidence, and show teamwork across both indoor and outdoor play.

Some highlights from the term so far have included our tabletop competitions such as air hockey, football, and bingo, which have encouraged turn-taking, friendly competition, and collaboration. The children have also enjoyed exploring their creativity through recycled craft creations, Hama beads, drawing challenges, paper plane making, and themed art activities. Many children have shown great imagination while designing and building with Lego, magnetic tiles, and cardboard construction materials using our new safe saw tools.

Outdoor play has continued to be a favourite part of the afternoons, with children participating in games such as "What's the Time Mr Wolf?", soccer, basketball, obstacle courses, and group challenges. These activities have promoted teamwork, resilience, problem-solving, and active play while allowing children to strengthen their social connections with peers across different age groups.

We have also celebrated a range of special events and themed days throughout the term, including Star Wars Day, Road Safety Week activities, dance and movement experiences, and hands-on group games that encouraged laughter, creativity, and participation from all children.

It has been wonderful watching the children confidently share ideas, try new experiences, and help support one another throughout the term. We look forward to continuing to provide fun, engaging, and meaningful experiences for the children during the remainder of the term and into our upcoming holiday program.

Look what's coming in Term Two!

Book into after school care on these dates to enjoy these special activities, at no extra cost to families.

Winter Holiday Program is coming!

With a packed program this is one holiday season you won't want to miss! Disney on Ice, Toy Story 5, marine life incursions, a talking dinosaur activity, karaoke, ice skating – these are just some of the amazing things planned!!! *Bookings open soon!*

2027 PREP ENROLMENTS

If you have a child starting Prep in 2027, please contact the school office to let us know. We have received a large number of enquiries for next year and would appreciate any current families contacting us to let us know if they have children starting in 2027. This information helps us with early planning and ensures we can provide a smooth and well-prepared start for all students. Thank you for your assistance.

PREP 2027

IRYMPLE SOUTH PS

Enrolments are now open for 2027 Prep students.

School tours are conducted by our Principal Jamie Russell or Assistant Principal Steven Sellens.

To organise a tour please call the office on 50245345.

SCAN ME

All information for the 2027 enrolment process can be found on our website.

CSEF 2026

The Victorian Government will be providing a CSEF payment to all eligible families to assist with the costs of school trips, camps and sporting activities. New applicants should contact the office for an application form. If you applied in 2025 and your circumstances have not changed, you do not need to reapply. Please check with the office and read the flyer further on in the newsletter for more information. The annual CSEF amount per student is \$400.

FINANCIAL ASSISTANCE

INFORMATION FOR FAMILIES

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's financial circumstances and their outcomes.

CAMPS, SPORTS and EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school excursions, camps and sporting activities.

If you hold a valid means-tested concession card or support an out of home care student you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid directly to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- new student enrolments: your child has started or changed schools this year.
- changed family circumstances: such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.

THE ANNUAL CSEF AMOUNT PER STUDENT IS \$400 FOR ALL SCHOOL STUDENTS.

Applications must be submitted to the school by the end of Term 2, 2026.
