PARENT OPINION SURVEY

WE WANT OUR PARENTS / CARERS TO TELL US WHAT THEY THINK!

Our school is conducting the annual Parent / Carer Opinion Survey offered by the Department of Education and is seeking your feedback. The survey is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behavior, and student engagement. The survey is optional, but we encourage and appreciate your participation.

Our school will use the survey results to assist in identifying areas for improvement and professional development needs in the school, to target school planning and improvement strategies, as well as to celebrate the things we are doing well.

The Parent / Carer Opinion Survey will be open online from **Monday 17 August to Friday 18 September 2026**.

The survey will be conducted **online**, only takes approximately **20 minutes** to complete, and can be accessed at any convenient time on desktop computers, laptops, tablets or smartphones. Check XUNO for details on how to access and complete the survey.

SCHOOL REVIEW

This week, we have been involved in our School Review; an important opportunity to reflect on our progress, celebrate our successes and identify areas for continued improvement.

The first day of fieldwork (Wednesday) was an extremely positive experience. The review panel were impressed by the calm and purposeful learning environment, the consistency of our instructional approach and the explicit teaching practices they observed across classrooms. They also valued the openness and willingness of our staff, students and community members to share their experiences and reflect honestly on our current practices.

A special thank you to the parents who took the time to speak with the review panel and share their feedback about our school. Your perspectives are an important part of the review process and provide valuable insight into the experiences of our students and families.

Today, our leadership team worked with the panel to develop our 2026–2030 School Strategic Plan. This plan will set out our key priorities and goals for continuing to improve learning, wellbeing and outcomes for every student at Irymple South Primary School. Once the plan has been formally endorsed, we will share it with you so everyone understands our priorities and the direction of our school over the next four years.

HATS

In line with our Sunsmart policy, all students are to wear hats from the 1st September. For the remainder of the term the students will be encouraged to wear their hats. As of the beginning of Term 4, all students must wear their hats.

UPDATE YOUR DETAILS ON XUNO

We ask all families to check and update their details on XUNO to ensure we have accurate and current records. This includes phone numbers, residential address and emergency contact details. Keeping this information up to date is important so we can contact families quickly when required. If you need assistance updating your details, please contact the school office.

PARKING

We have noticed some unsafe and illegal practices on Belar Avenue and 15th Street at pick-up times. We are very concerned about the 'near misses' that have recently occurred, which could have resulted in serious injury.

Our crossing supervisor, Mark, is concerned about the number of cars parked close to the school crossing on 15th Street. Vehicles must remain clear of the crossing by 20 metres in the approach direction and 10 metres past the crossing in the direction of travel. This distance provides children, pedestrians and crossing supervisors with an unobstructed view of oncoming traffic. There are also vehicles stopping on both sides of the road and using the area as a quick pick-up zone. All parents and students must use the supervised crossing to cross 15th Street.

Please obey the NO STANDING zone on 15th Street. The designated Bus Zone must remain clear while buses are present so buses can safely drop off and collect students. Once the bus has departed, families may use the designated Bus Zone for pick-up, provided the zone is clear and it is safe to do so. However, vehicles must not stop or queue behind other cars in the Bus Zone waiting for the bus to leave. Please do not enter or wait in the Bus Zone until the bus has departed. This will help ensure buses can access the zone safely and keep traffic moving.

The concrete pad that has been constructed near the fire tanks on Belar Avenue is a NO PARKING zone. Please do not park in this area, as access is required at all times by emergency services.

We ask all families to please slow down, follow the road rules and be considerate of other families and our students. A few extra minutes of patience can make a significant difference to everyone's safety at pick up time.
